

ALBINATI AERONAUTICS

BOMBARDIER GLOBAL EXPRESS

Covering a range of over 6,000 nautical miles (approx. 11,000 km), the Global Express can carry up to 12 passengers in exclusive comfort. Its exceptional performances enable it to also fly in and out of airports with runways just 1,500 meters long and thus to bring passengers closer to their final destination.

12 passengers configuration

8 passengers sleeping configuration
