

ALBINATI AERONAUTICS

BOMBARDIER GLOBAL 5000 ER

Covering a range of over 5,200 nautical miles (approx. 9,600 km), the Global 5000 Extended Range (ER) can carry up to 14 passengers in exclusive comfort. Its exceptional performances enable it to also fly in and out of airports with runways just 1,500 meters long and thus to bring passengers closer to their final destination.

14 passengers configuration

7 passengers sleeping configuration
