## CESSNA CITATIONJET2+

Ideally designed for short and medium-haul European flights, the Cessna CitationJet2+ features all the advantages of high-quality business flights at particularly attractive rates.

Its ability to take off and land on short runways brings you as close as possible to your final destination. Offering a blend of comfort and efficiency, the cabin makes the most of the available space to easily seat 6 passengers who can use 2 foldaway tables that are particularly appreciable for brief working sessions. The refreshment center accommodates a light snack as well as hot and cold drinks.
