

# HAWKER 900XP

The Hawker 900XP is a midsize business jet offering top-rate comfort both for short flights and for those lasting up to 6 hours. An air hostess ensures high-quality service for passengers who will be able to work in a pleasant and silent environment, or relax by using the state-of-the-art entertainment systems (DVD, CD, iridium phone). A toilet is available at the rear of the cabin.
